INTRODUCTION TO ENG

I am the Head of Manufacturing here at Executive Network Group (ENG). ENG specialises in Transport, Defence, Advanced Manufacturing, Paper, Packaging, Food & FMCG.

I partner with Technical Network to provide a robust and effective recruitment process with the ultimate goal of making recruitment better, with our key areas of expertise being Executive Search and Critical Hire.

Our Networks Team consistently create relevant content for our networks both in manufacturing and across our various key sectors. To find out more, [click here](#).

MANUFACTURING SALARY SURVEY •

Executive Network Group created a salary report across the wider manufacturing sector (inclusive of Defence, FMCG, Advanced Manufacturing & Transport).

The survey report enables organisations to benchmark average salaries by region within 12 senior appointment job titles.
