

Licensing

Find License Information

Basic information about the license for many products can be found in the corresponding Splashscreen when the product is being started:

- License Type (e.g Trial, Subscription, Commercial..)
- The Product Version (Major and Minor)
- Expiration date of the license

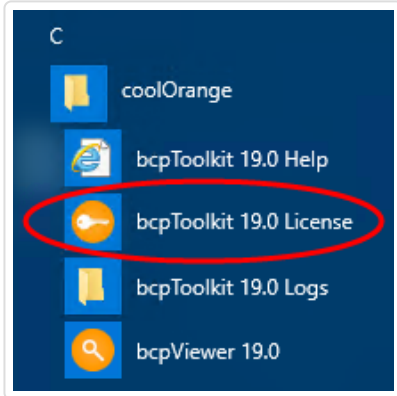

Detailed Information

Detailed information about the product license can be found in the activation dialog. Depending on the product you can find and open the dialog in following locations:

License Shortcut

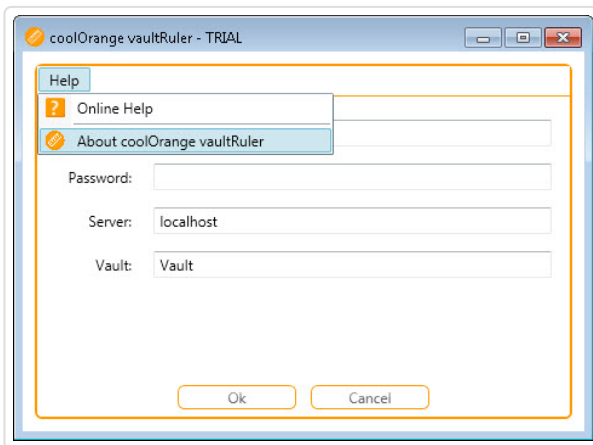

1. Open the Start Menu
2. Search for the product

3. Click on *[Product Name]* License shortcut

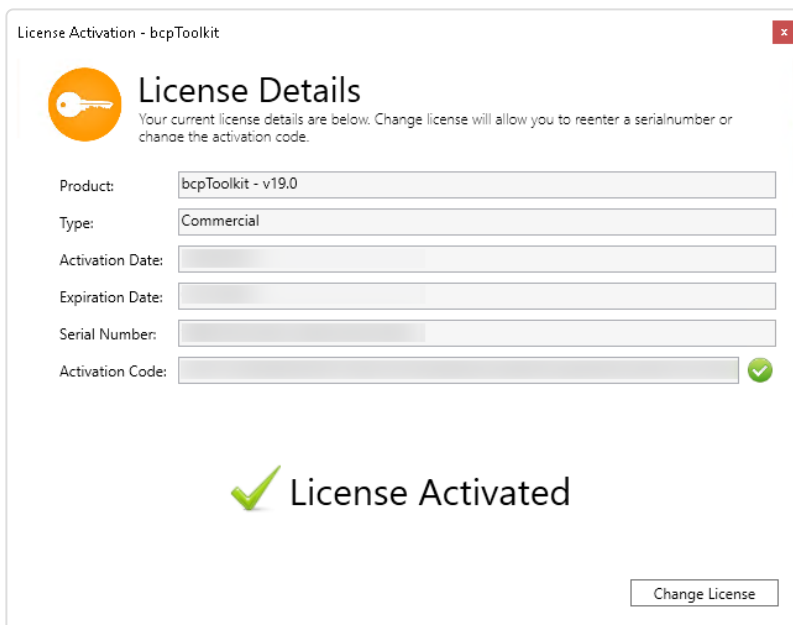

About Dialog

1. Start your software
2. Click Help → About *[Product Name]*

The dialog shows following information:

- The Product Version (Major and Minor)
- License Type (e.g Trial, Subscription, Commercial..)
- Activation Date of the license
- Expiration Date of the license
- Serial Number
- Activation Code

Activate Your Product

In the section below you find information about how to activate and register your software online or offline using an activation code and how to renew a license.

To start with the activation you first have to open the License Activation Dialog. It can be found in the section above.

Once the serial number and the activation code are inserted in the dialog the product will validate and activate itself.

Automatic Activation

For the automatic online activation you simply have to enter the serial number and click on the *Request Activation Code* button.

The activation code will be generated automatically and the product should be activated.

License Activation - powerJobs ✕

License Renewal

License Renewal is required when your license is about to expire. In this case you can contact sales@coolOrange.com (mailto:sales@coolOrange.com) and we will provide you with a new serialnumber.

The new serialnumber can be activated by clicking the [Change License](#) button and entering the new serialnumber.

The screenshot shows a window titled "License Activation - powerJobs". Inside, there is a section titled "License Details" with a key icon. Below the title, it says "Your current license details are below. Change license will allow you to reenter a serialnumber or change the activation code." There are several input fields: "Product" (powerJobs - v15.1), "Type", "Activation Date", "Expiration Date", "Serial Number", and "Activation Code" (with a green checkmark). At the bottom, there is a large green checkmark and the text "License Activated". A red circle highlights the "Change License" button in the bottom right corner.
