Enclosure 2 / 2 to certificate no.:

0531 – ST – 3834 – 0820

General Provisions

Should one of the named welding and testing supervisors leave the company, or welding and test procedures or important parts of equipment required for these procedures be changed or any of the welding-related quality assurance measures be modified, this must be reported beforehand to TÜV SÜD Landesgesellschaft Österreich GmbH. If necessary, TÜV SÜD Landesgesellschaft Österreich GmbH will initiate a renewed inspection at the company. The same applies to the permanent discontinuance of welding work.

Should there be any doubts pertaining to the qualification of the company, TÜV SÜD Landesgesellschaft Österreich GmbH shall have the right to inspect the company and to carry out tests at the company at any time without prior notification.

This certificate can be withdrawn, amended or modified with immediate effect and without any compensation, if the conditions under which it was issued have changed or if the stipulations and provisions outlined in this certificate or the pertinent report have not been observed.

This certificate shall become invalid if the welding supervisor named therein leaves the company.

The authorization shall be suspended for as long as the company does not have a recognized responsible welding supervisor and no accepted deputy is on hand.

Application for renewal should be submitted to TÜV SÜD Landesgesellschaft Österreich GmbH timely to expiry of the certificate.

Invalid or revoked certificates must be returned immediately to TÜV SÜD Landesgesellschaft Österreich GmbH.

This certificate may only be copied or published in its entirety for advertising and other purposes. The text of promotional material may not contradict this certificate.
