

Our Corrugated Sheet Granonda Profile is one of our best selling fibre cement sheets.

These sheets and accessories are available in natural grey and a rustic colour, custom colours are also available on request.

Our Granonda fibre cement profile is a durable roofing option and also provides a long term investment.

TECHNICAL DRAWING

SIZES

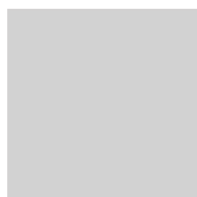

At Tubex, we manufacture a collection of fibre cement sheets available, however if we do not have the size you are requiring for your project, then we will be able to provide you with a specialist quotation to best suit your projects needs.
